BACK 2 BIBLE BASICS

SKY VIEW MISSIONARY BAPTIST CHURCH

MOTTO

To connect children with the Bible, a BIG book that tells the BIGGEST story in history. It's not a fairytale, but the BEST part does involve a Hero named Jesus Christ.

With a "back to basics" mindset, we seek to reach our community's children with a full knowledge of the Gospel. That is, what Jesus has done and continues to do for us all.

It's a BIG story that matters to each LITTLE one.

GOALS

- Introduce every child to our Savior Jesus Christ through a chronological examination of the Bible
- Provide the big picture of Scripture: Creation, the Fall, Redemption, and Restoration (and share why it all matters today!)
- Teach a daily habit of prayer
- Commit to providing a weekly, stable Christian presence for children.
- Ignite an urgency among our kids to share about Jesus and His ever-nearing return
